Dear Mr. Fisk:

The Town of Jay is in the process of reviewing the TMDL information that we have received. We are finding this information quite complicated and complex and feel that we need more time to review it in order to make an educated evaluation of this.

We are requesting that the comment period be extended an additional 30 days so that we can evaluate the impact of these figures on our municipality. Thank you for your consideration.

If you have any questions, please feel free to contact me anytime to discuss it. Thanks you again.

Sincerely,

Ruth Marden
Jay Town Manager
